CLUBRIGHT APP

We've had a lot of great feedback regarding the Clubright App ... mostly! Sorry to those who are still having problems - we are trying to rectify these difficulties!

- For those of you who haven't already done so, please could you **'verify'** your account.
- If you have not **set up** a **Direct Debit** for your Membership, or if **no Direct Debit was taken** from your account this month, (or if you haven't paid by cash/ card) please contact us immediately to pay your outstanding Membership Fee over the phone or in person - thank you!
- Lots of children have not been added to a Parent Account. If you would like them to continue using the club, please add them on Clubright (on 'My Profile' (same page as your profile picture) - Right Hand Side **'Add another Member/Child'**).
- A polite reminder that in the unlikely event that you would like to **cancel** your Membership, we ask for **4 weeks' notice**.

Please get in touch with us if you are having any problems with the new App ... it's not perfect! Here are the links -
