

Dear Members

Going to the ballot box
Choose a person, make a cross
Choose a party that you trust
Choose to spoil it if you must
But get down to the ballot box
Mark the paper with a cross
Then at least you CAN complain
When the other party wins again!

Whoever you vote for tomorrow - we are always here with a big bit of cake, a pint of your favourite, or a good long workout in the Gym?!?

Wimbledon has started with the sad news that our favourite British player will not be taking part in the Singles competition. Are you a wannabe Andy Murray? Don't forget, as part of your Membership, we have two Grass Courts which you can book through the office. We can't supply the strawberries and cream though!

England continue to 'play' in the Euro's - discuss! Our game against **Switzerland** will be shown here on **Saturday at 5.00pm** both inside and out! If you would like to guarantee an INSIDE table booking, please click [BOOK HERE](#)

We want your children to have a fun, safe time here at Imber. Although it is a great place and space for them to run around, please remember that they still need/should have, parental supervision! Recently we have had children interfering with the cricket pitch equipment, in the changing rooms at the pool when they are not swimming or changing and throwing wet tissue at the toilet walls! Not the kind of behaviour we expect from our lovely (most!) Child Members!

From her Bio - Hi my name is Georgie Sinclair, I am a classic/ modern country singer actively gigging in the south of England. I have always had a love & passion for country music from the age of 10 years old my family decided to move from Essex to Canada where I stayed throughout my secondary school education, country music was extremely popular with my school friends so I really developed the love for singing and listening to it whilst there and continued after moving back to England.

My set is made up of all the new modern country artists from Shania Twain, Luke Combs, Kelsea Ballerini, Carrie Underwood, Miranda Lambert & the list goes on, but not forgetting those great country classics like Dolly Parton, Patsy Cline, Loretta Lynn etc.
