

Dear Members

If you thought you were having a bad week

Is it really wrong of me to be giggling about Cecil the dog, who chewed his way through \$4,000? Apparently, Cecil's owners have spent days picking up bits of notes either thrown-up, or having passed through, Cecil! They had to wash all the 'bits' of notes and try and put them together - money laundering in extreme measures? I'm shaking my shoulders like 'Mutley' (you'll only understand that if you're of a certain age!).

SWIMMING POOL

Many apologies for closure of the pool today - Wednesday. We will let you know as soon as we have any information regarding re-opening. Please check our website [WEBSITE](#), Facebook, Instagram and/or emails for news.

We are excited to let you know that a sparkly new Membership Management System will be coming very soon! All things Membership is being moved onto a new system called '**CLUBRIGHT**'. Look out for an email link and information on how, and what, **you** will be able to use it for.
