

Dear Members

Autumn has well and truly arrived and for those attending our Club over the next couple of days you may well see our grape vines being harvested in preparation for pressing and hopefully a vintage Chateau Imber to come...

We have two signature events coming up during Autumn, our Fireworks Evening and Family Friendly Halloween Party. Tickets can be brought for both events online (details below) and ticket numbers for both events are capped. There will be no tickets sold on the day and from previous years' experience they will both sell out - we want to ensure that all Club Members who want to go, can go, so please do not wait too long before booking your tickets.

FAMILY HALLOWEEN PARTY – SUNDAY 27TH OCTOBER 3PM – 6PM

A spooky fun afternoon for families with music and games (food and drinks will be available for purchase). The tickets for Members are available from the Club Reception for £3 a Child (Under 2 - free) and £6 an Adult and on Ticket Source for Non-Members, Child - £3.50 and Adult - £6.50.

Feedback Please

With our extensive grounds, lovely Beer Garden and range of function rooms including our large Ballroom, Stage and separate bar areas we have the ability and desire to put on more functions for you our Club Members. We feel family friendly type functions work well but we are not limited to that.

If anyone has any thoughts on different functions we can put on, we would love to hear from you please membership@imbercourt.com
