

Dear Members

We were discussing what was on everyone wish list for Christmas presents and the boss said he would like something really cool ... so we've clubbed together and bought him a fridge!

Would love for someone to calculate how much this 'escapee' cost people ... but who could knowingly drive over 'it'? ... A slow-moving tortoise delayed train travellers last week after he escaped his home and clambered onto nearby tracks. The pet named Solomon was moving 'at pace' on the Southwest line between Ascot and Bagshot. After spotting 'the culprit', train staff managed to retrieve the tortoise and gave him a lift so he could be reunited with his owner! A conundrum for all animal lovers? 😊

Attached is our Opening and Closing times over Christmas and New Year. Please check this leaflet for Kitchen, Gym and Club House times.
