

Dear Members

In this busy and 'instant' world we now seem to live in, let's stop and have a break (excuse the pun!) to celebrate, as it's National Biscuit Day on Monday the 29th May! It would be rude not to participate in this special day!!

The impact of biscuits on British culture cannot be overstated. Biscuits have become an integral part of daily life, from elevenses and afternoon tea to the biscuit tin that magically appears during family gatherings. It's a day to appreciate the simple pleasures in life, to take a moment to pause, and to savour the taste of a biscuit. Let's raise a biscuit in celebration and say, "Here's to biscuits, the true stars of British snacking!" Where does yours come on the list? A recent poll has revealed Britain's favourite biscuits ...
