**A MESSAGE FROM THE SWIMMING POOL ...**

Dear All

Please may we advise all pool users that although COVID restrictions are changing from mandatory to advisory guidelines the ONE-WAY System for swimming will remain the same for all pool activities (swims, aqua, swimming lessons, parties, etc).

Please come beach ready (wearing bathers underneath), use the recently built cabins to get ready (put clothes and shoes in your bag, these can be hung on the poolside) and on your way out of the pool you will have access to the indoors changing rooms to shower and change to go. We'd like to also remind all that for hygiene and health & safety purposes outdoor shoes are not allowed anywhere within the pool building and changing cabins.

Many thanks for your understanding and cooperation.

Phill Agourakis - Pool Manager
