## **WORK AT IMBER**

If you know of anyone who is currently looking for a job, please do pass them our contact details. A few members have expressed that they would like food to be on offer, for example at Quiz Night or after Children's Swim Lessons - unfortunately, we are unable to offer more in the way of food until we get another chef! we are looking for committed people to stay with us beyond September. A wee perk is free gym and pool use after a trial period! All of our affiliates also give staff at Imber 'preferential' rates. [WORK AT IMBER](#)

Dear Club Members.

Pricing for Imber Court memberships has been stable now for the best part of 15 years. In this time, our membership prices haven't risen.

However, to continue making improvements to the Club for the on-going benefit of you, our members, we realise that a small increase to membership prices are now necessary.

Therefore, as of the 1st of August 2022, prices for our Bronze, Silver and Gold membership will increase for new members to the club.

***So, what will this mean for you as a current member?***

For the vast majority, you will notice no change.

As a current member, the price you pay for membership will remain the same. If you wish to transfer between memberships whilst continuing to be a member, for example from Bronze to Silver Gym, any increase or decrease will be in accordance with current pricing.

The one exception for a current member will be in the instance that you decide to give up membership. Should you then wish to re-join Imber Court beyond the 1st of August 2022 then this would be at the new membership prices.

Updated Membership Pricing will be published on the Imber Court Sports Club website within the next few days.

Any queries, then please feel free to contact us.

Thank you.

Geoff Smith  
Chair Imber Court Sports Club.

Membership Co-Ordinator
