One of the Lifeguards will be responsible for running and organising party games in the Pool and the second Lifeguard is responsible for the safety of all bathers.

If children are **under 7**, we ask that at least one responsible adult remain with the children for the duration of the party and **children who are non swimmers or nervous swimmers must be accompanied by an adult for every two such children**. Pool Parties for under 6 years have a maximum of 15 and for over 6 years have a maximum of 20 children.

PARTY THEMES

Your party will take place within the pool, with exclusive access to the pool for the duration of the party. The pool can be decorated with banners and balloons if this is your choosing. If you have a specific theme and would like to supply these yourself, we will need these on the morning of the party to decorate sufficiently in time.

Parties can be themed towards a theme of your child's choosing i.e. **mermaids, pirates, underwater sea life, unicorns**. During these parties use of the small inflatables, large floatation mats, and specially themed toys will be used to run party games,

To cater for your older children, we are also able to provide **volleyball and water polo parties, as well as synchronised swimming parties** – all children who attend these parties must be able to swim 25m without aids, these parties can only be booked with a specific instructor and may not always be available.

SAFETY GUIDELINES AND TERMS AND CONDITIONS

If you wish to go ahead with your Party, please read the Terms and Conditions section and take your signed Booking Form to the Pool Manager who will confirm your booking. A non-refundable deposit of £20 must accompany your booking.

Please pay in cash or cheque for the Pool element of your Party at the Pool on the day minus the deposit and pay for your party food and room hire if applicable on the day at the Restaurant or Main Office (card payment available for food and room hire).

SAFETY GUIDELINES AND TERMS AND CONDITIONS

The Parent/Guardian organising the party are themselves responsible for all children in the toilets and changing rooms at all times.

The Parent/Guardian must ensure that children who cannot swim are accompanied in the water by a responsible adult and are provided with floating aids if they are deemed necessary.

For non-swimmers and/or nervous swimmers, we require adult helpers, i.e. parents and friends, at a ratio of one adult to two children to support the children in the Pool during the session.

The Parent/Guardian must ensure that all children have the permission of their parents to attend a Pool Party and do not have a medical condition that would compromise their safety in the Pool or, if such a condition does exist, the parent or guardian considers it safe and appropriate for his/her child to participate.

Such conditions may include asthma, epilepsy, diabetes, or a physical disability but these do not represent an exhaustive list and organisers and parents must use their discretion and judgement on these matters. Children with Asthma are asked to leave their inhaler at the Poolside kiosk during a swim session. Children who have head lice, verruca's or contagious skin conditions must not use the Pool.

Please note that photography is strictly prohibited unless the party organiser has the permission of all those present, and in the case of children, their parents or guardians' permission and also all other bathers who are in the pool at the time.

If you have booked food, an area will be put aside for you in the Main Club House for a period of one hour only. Please note that this may be used before or directly after your party and so we do ask you to leave promptly. If you require longer, you may hire a function room at a cost of £25 per hour (minimum two hours) subject to availability and this should be booked at the Main Office.
