THE MEAL

The meal usually lasts approximately two hours.

It is customary during the meal to serve wine for your guests and to use champagne or a sparkling wine for the toast but if you have any specific requests please discuss them.

To customise your wedding further, additional charges may be added.

When you arrive at the Club, you are able to use our gardens or any other part of the grounds for your photographs or, if you wish, the room you have booked may be used as a backdrop instead.
